Rgr all... Chief Girmala is on vacation this week and I already have her coming in on other matters so I would like to avoid tasking her on this. Thinking Ms. Rhodes or Cmdr Randolph with DC Baeza. Let's discuss more tomorrow

> The Ad Hoc Committee on Police Reform intends to meet this coming Wednesday morning at 8:00 a.m. via teleconference. They intend to consider, approve and request reports back on the first round of recently introduced motions. In discussion with Mr. Wesson's staff, they plan on adopting the motions on consent after holding considerable public comment. The meeting will back right up to the Council meeting which begins at 10 am so they won't have a lot of time. We may want to designate one Department representative to be on the call, should there be a need. In addition, Mr. Tefank has expressed concern that a number of motions are directed to the OIG. He and/or Commission President Decker may also wish to be represented. The committee's intent is to have their hearing, and have the motions approved by Council before the summer recess. They would begin taking up the reports back upon return from recess.
